

FOR 2003

A GREAT NEW STORY

HEAVY CAST-IRON, REVERSIBLE TOP GRIDS

The new cast iron top grid option is available in standard spacing (5/16") and fish spacing (3/16"). Both sizes are reversible to provide a standard or thin brand by simply flipping over

FLIP THE GRID FOR STANDARD OR THIN BRANDING.

CAST IRON RADIANT

Optional cast iron radiants are also available.

20,000 BTU BURNER

HIGH OUTPUT BURNER

Use the standard 15,000BTU burner, or add the 20,000BTU burner for more cooking power!
